

Nothing, I AM, but

9-15-2008

Christopher J. Patton

I am nothing.
So empty of answers and power
To make matters right, just and joyful
Power.

Forgive me, O God.
Destroy me not.
Mercy is Your Name,
And Love.

I am empty of Love -
Fill me.
It is not that I do not;
It is but I do not as you do -
Fully unconditional
Powerfully understood
Not doubted
ONE.

God, my God,
Have mercy on this rebellious world.
Send trial to train humility,
Preserve and Protect your Community,

Defeat the Enemy,
Make us ONE in You -
Forever.
AMEN.
